

YANTRAGYAN, Newsletter of Department of Mechanical Engineering

Gyan Ganga Institute of Technology and Sciences,
Jabalpur

I am pleased to bring this issue of departmental Newsletter 'Yantragyan'. We are working with a vision of India 2020, to bring progressive changes in mechanical engineering and prosperity to our country through Make in India. It is a pleasure to note the glorious stride of our budding institution. The joy and experience shared on our campus ensure the growth and development of the overall personality of all the students alike. It is great to notice interesting events taking shape frequently at our campus. All of us are equally delighted to witness the happenings of significant events and tremendous achievements.
