PUBLICATIONS

S. N o.	Name of Faculty	Type of Article (National / International)	Article Title	Name of Journal / Conference	Publication Name	Year of Publication
1	Dr. Meghna Utmal	International Journal	A Comparative Analysis of Various Stemmers in Vector Space Model for Efficient Text Retrieval	International Journal of Emerging Technology and Advanced Engineering	ISSN 2250-2459 UGC Approved Journal	2017
		International Journal	Analysis of Text Classification With ARM on Various Data Mining Metrics	International Journal Of Scientific Progress And Research (IJSPR)	ISSN: 2349-4689 UGC Approved Journal	2017
		International Journal	A Review on Performance Evaluation of Data Mining Classification Using Support Vector Machine	Published in Vindhya Bharti Journal	UGC Approved Journal	2017
		International Journal	A Study on Text Mining over Hadoop Framework	International Journal of Emerging Technology and Advanced Engineering	ISSN 2250-2459	2015
		International Journal	A Novel Approach for Finding Frequent Item Sets Done by Comparison based Technique	International Journal of Computer Applications	ISSN 0975 – 8887	2012
		International Journal	An innovative Approach for finding Frequent Item sets using Maximal Apriori and fusion process and its Evaluation	International Journal of Computer Applications (IJCA), Foundation of Computer Science	ISSN 0975 – 8887	2012
		International Journal	Scenario Of Pattern Mining Done By Max Heap	International Journal of Innovative Research in Science and Techniques		2011
		International	Taxonomy On The Integration Of	Seventh IEEE Computatio	IEEE	2015

		Conferences	Hadoop And Rapid Miner	nal Intelligence and Communication Networks (CICN-2015)		
		International Conferences	A Study On Data Mining Framework Using Mahout	Conference on Emerging Research in Computer and Software Engineering	UICSA	2015
		International Conferences	An Innovative Approach for Finding Frequent Itemsets using Maximal Apriori & Fusion Process	International Conference on Computers and Communication (ICCC-2012)	Sagar Institution of Science & Technology	2012
		International Conferences	Max Heap Pattern Mining	International Conference on "IT & Business Intelligence (ITBI-11)	IMT	2011
		International Conferences	Soft Computing & Intelligent Systems	International conference on Soft Computing	J.E.C	2007
		National Conferences	A Novel Approach To Find Weighted Word Frequency Using Vector Space Model	Conference on "Smart And Innovative Technologies in Engineering And Sciences	GGCT	2016
		National Conferences	Preliminary Data Analysis Methods For Cost Estimation In Software Development	National Conference on "Issues & Challenges in Technology and Management	V.I.T.S	2011
		National Conferences	Mobile Positioning In Cellular Networks	National Conference on "Issues & Challenges in Technology and Management	V.I.T.S	2011
		National Conferences	Application of Clustering in Data Mining	National Conference on "Advances In Social Networking & Its Impact	SRIT	2011
		National Conferences	Wireless Communication in Current Scenario	National Conference on engineering and Applied Sciences	JEC	2013

		National Conferences	Adhoc Networking – Blue Tooth	National Conference on "Next Generation Communication & Computing	GGITS	2009
		International Journal	An Approach for Movie Recommendation Using Rapid Miner	International Journal of Engineering & Advanced Technology (IJEAT)	ISSN: 2249-8958	2019
		International Journal	Stylometry Based Authorship Identification on ChatBot Corpus	International Journal Of Scientific Progress And Research (IJSPR)	ISSN: 2349-4689	2018
		International Journal	An improved authentication technique with OTP in cloud computing	IJSRCSSE	ISSN: 2277-128X	2013
2.	**Mr. Vishal Paranjape**	International Journal	An approach towards security in Private cloud using OTP	IJETAE	ISSN: 2250-2459	2013
		National Conference	An approach towards enhancement of security in cloud computing	MANIT, Bhopal		2013
		National Conference	Renovating Education Through TQM	VITS		2011
		National Conference	A move towards future : Solar thermal power generation	GGITS		2011

3.	Mr. Varun Garg	International Conference	Optimization of Multiple Queries For Big Data with Apache Hadoop/Hive	IEEE	ISSN: 2472-7555	2015
		International Journal	Big Data in Cloud Environment	IJCSE	ISSN:	2014
		International Conference	Distance Based Rout Maintanence Strategy for Dynamic Source Routing Protocol	Icaceee		2012
